CTN+ Fall Meeting: ONTARIO Regional Team Presentation

September 17, 2025

CIHR Pan-Canadian Network for HIV and STBBI Clinical Trials Research

Réseau pancanadien pour des essais cliniques sur le VIH et autres ITSS

Meet the Team

Ontario Regional Leadership Team

Dr. Jason Brophy (CL) – CHEO / University of Ottawa

Dr. Lawrence Mbuagbaw (CL) – St. Joe's / McMaster University

Dr. Mona Loufty – Women's College / University of Toronto

Dr. Mikki McGuinty – The Ottawa Hospital – University of Ottawa

Patrick Cupido – Knowledge Mobilization Liaison

Dr. Pascal Djiadeu – Regional Project Manager*

What have we done?

What we've done so far (Oct/2024 to now):

1. *The Phase 2 grant titled "ON-TRACK: Ontario Network for Trials, Research, and Advancement in Capacity-Building for HIV/STBBIs", submitted. Results due in October*
2. *Ongoing inventory of partners, stakeholders and ongoing trials*
3. *Review of applications for Letters of Support (LoS)*
4. *Hiring of a Regional Project Manager*

Regional Outreach

- OHTN
  - Opportunities for collaboration, capacity building and stakeholder engagement
  - Planned CIHR Catalyst Grant for priority setting and stakeholder engagement

Community Leadership Team (CLT) and Indigenous Guidance Council (IGC) Engagement

- Plans to meet with Community Leadership Team (CLT) and the Indigenous Guidance Council (IGC).

Thank you
