

ACTIVE

Esther Truscello, Graduate Research Trainee

Degree: Clinician-Researcher, MD/MSc program, Maastricht University, The Netherlands

Project: Assessment of hepatic steatosis in patients with Human Immunodeficiency Virus and Hepatitis C Virus co-infection after direct-acting antiviral treatment

Melanie Bedard, M.Sc. candidate

Study Field: Epidemiology and Biostatistics, McGill University

Project: Predicting 6-Month Overdose Mortality Among People With HIV-HCV Coinfection.
Expected M.Sc.: 2024

Dr. Cara Spence, PhD

Study Field: CIHR CTN Post-Doctoral Fellow

Project: Under the Covers: The Truth and Reconciliation of HIV Infection among Indigenous Women in Saskatchewan

Mariam El Sheikh, Ph.D. candidate

Study Field: Epidemiology and Biostatistics, McGill University

Project: One step closer to HCV elimination in Montreal: Gaining a deeper understanding of the HCV population and developing a system to regularly monitor HCV in Montreal.

Expected Ph.D.: 2024

COMPLETED

2022

Gayatri Marathe, PhD

Study Field: Epidemiology and Biostatistics, McGill University

Project: Impact of major depression in HIV-HCV co-Infected populations in Canada

Current Position: Associate, Analysis Group Montreal

Charlotte Lanièce, PhD

Study Field: Epidemiology and Biostatistics, McGill University

Thesis: Using dynamic models to estimate the impact of potential interventions on reducing HCV incidence and prevalence for key HCV-HIV co-infected populations in Canada

Current Position: Epidemiologist, Epiconcept

2021

Maria Carolina Festa, MDCM candidate

Study Field: Department of Medicine, McGill University

Project: CD4 Recovery after the Treatment of Hepatitis C Virus (HCV) in HIV-HCV Co-Infected Adults

2020

Adam Palayew, M.Sc.

Study Field: Epidemiology and Biostatistics, McGill University

Funding: Fonds de recherche du Québec-Santé, CanHepC Fellowship

Current Position: Ph.D. candidate in Epidemiology, University of Washington

2019

Sahar Saeed, Ph.D.

Study Field: Epidemiology and Biostatistics, McGill University

Funding: CanHepC Fellowship, CIHR Banting Award

Current Position: Epidemiologist, Canadian Blood Services

2018

Justin Chan, Post-Doctoral Fellowship

Study Field: Epidemiology and Biostatistics, McGill University

Funding: Canadian Network on Hepatitis C

Current Position: Clinical Assistant Professor, NYU Grossman School of Medicine

Taylor McLinden, Ph.D.

Study Field: Epidemiology and Biostatistics, McGill University

Funding: CANOC Training Award

Current Position: Scientific and Quality Assurance Officer, BC Centre for Excellence in HIV/AIDS

Margo Pearce, Post-Doctoral Fellowship

Funding: CIHR Canadian HIV Trials Network Fellowship

Current Position: Post-Doctoral Fellow, BC Centre for Disease Control

Nadine Kronfli, Post-Doctoral Fellowship

Study Field: Medicine, Division of Infectious Diseases, McGill University

Funding: CIHR Canadian HIV Trials Network Fellowship

Current Position: Assistant Professor, Department of Medicine, McGill University

2017

Wusiman Aibibula, Ph.D.

Study Field: Epidemiology and Biostatistics, McGill University

Current Position: Research Associate, Canadian Network for Observational Drug Effect Studies (CNODES)

Carmine Rossi, Ph.D.

Study Field: Epidemiology and Biostatistics, McGill University

Funding: CIHR

Current Position: Epidemiologist, Analysis Group Montréal

2016

Carlos Melendez-Pena, Ph.D.

Study Field: Medicine, Division of Experimental Medicine, McGill University

Funding: CIHR

Current Position: Medical Student, Université de Montréal

Nasheed Moqueet, Ph.D.

Study Field: Epidemiology and Biostatistics, McGill University

Funding: CIHR, NCRTP-HepC, Doctoral Award Banting & Best Canada Scholarship

Current Position: Epidemiologist, Public Health Agency of Canada

2015

Laurence Brunet, Ph.D.

Study Field: Epidemiology and Biostatistics, McGill University

Funding: Fonds de la Recherche en santé du Québec

Current Position: Director of Epidemiology, EpiVidian

2013

Man Wah Yeung, M.Sc.

Study Field: Epidemiology and Biostatistics, McGill University

Funding: Canadian Observational Cohort in partnership with CTN

Current Position: Health Economist, National Advisory Committee on Immunization, Public Health Agency of Canada

Elizabeth Beauchamp, Post-Doctoral Fellowship
Study Field: Medicine, Division of Infectious Diseases, McGill University
Current Position: Staff Physician, Centre Hospitalier Pierre-Boucher
2012

Martin Potter, M.Sc.
Study Field: Epidemiology and Biostatistics, McGill University
Current Position: Practicing Physician
2011

Adefowope Oduyungbo, Post-Doctoral Fellowship
Study Field: Epidemiology and Biostatistics, McGill University
Funding: CIHR Canadian HIV Trial Network Fellowship
Current Position: Principal Biostatistician, Merrimack Pharmaceuticals

Mazen Habayeb, Post-Doctoral Fellowship
Study Field: Proteomics, McGill University
Funding: CIHR
Current Position: Medical Advisor, Abbott Pharmaceuticals
Martin Potter, Post-Doctoral Fellowship
Study Field: Medicine, Division of Infectious Diseases, McGill University
Funding: CIHR Canadian HIV Trial Network Fellowship
Current Position: Practicing Physician

2010

Julia Thorpe, M.Sc.
Study Field: Epidemiology and Biostatistics, McGill University
Funding: National CIHR Research Training Program in Hepatitis C
Current Position: Research Coordinator, McMaster University
Sean Yaphe, B.Sc.
Study Field: Biochemistry, McGill University
Current Position: Family Medicine Resident, Henry Ford Health System

2006

Huda Al-Mohri, Post-Doctoral Fellowship
Study Field: Medicine, Division of Infectious Diseases, McGill University
Current Position: Deputy Ontario Medical Director, LifeLabs
